Gold Medal & Best In Class

International Wine & Spirit Competition

“Colourless. Very distinctive and attractive nose filled with all sorts of different aromatics. Rosemary is distinctive while olive and thyme make a statement. Hints of ginger, citrus and coriander. Beautiful, big flavoured mouth where the flavours are distinctly Mediterranean: rosemary, thyme, olive and citrus. Long, aromatic finish. Great innovation...” - Gold Medal (Best in Class) IWSC 2010.

Atlantico Reserva Rum

#1 Out of 10 Best Gold Rum Labels of 2015

www.10bestrum.com

Atlantico is a hand crafted Dominican rum that uses estate grown sugar cane. This Solera style rum uses different aged rums that were carefully selected and blended together by the producers' third generation Master Blender. The molasses rum and fresh cane juice are aged separately for 2-3 years. The rum is then blended together and aged again for 2 years. This step allows the different rums to "marry" together. The blended rum is then placed into a solera aging system for up to 10 years. Before bottling, a bit of aged Aguardiente is added to the blend which gives it a truly unique profile. The result is a vibrant rum with intense flavour and depth that we can be best enjoyed on the rocks or in classic brown spirit cocktails. Atlantico Reserva is a bit drier with notes of light oak and tropical fruits.
