Mayor de Castilla Verdejo 2016

A bright pale yellow hue with intense and lively aromas. Passion fruit, grapefruit and freshly cut green grass on an aniseed background lead to a balanced mouthfeel. Tasty, full of flavor and a lingering Verdejo characteristic aftertaste make the Mayor de Castilla Verdejo incredibly delicious and refreshing!

Berliner Wein Trophy 2015

Aged 24 months in oak barrels, the 2012 Antano Reserva from Rioja displays a beautifully dark garnet color with ruby glints. Enticing aromas such as vanilla, spices and assorted black fruit lead. In the glass, this wine opens up to reveal savory blackberry flavors, complexity and silky tannins. This is a very good value in a traditionally styled Rioja.

Finisimo Cabernet Sauvignon 2014

Chile's First Premium Wine Brand

In 1979 Finísimo made history when it was named the Fifth Best Wine in the World at the Wine Olympics; it was only surpassed by four French wines. This news captivated Chilean consumers and positioned Finísimo as the country's first Premium wine. This deep red Cabernet Sauvignon shows intense aromas of black fruit, plums, cassis and cherries, with chocolate notes. Concentrated, with sweet tannins, red fruit flavors, good structure and density. Suggested food pairings include Mustard Filet Mignon, lamb stew with fine herbs.

Altos de la Hoya 2014

89 Points

Wine Advocate #225

By Luis Gutiérrez, 29th Jun 2016

"The 2014 Monastrell Altos de la Hoya is produced from the fruit of dry-farmed, ungrafted, old Monastrell vines and some 5% Garnacha. It fermented with indigenous yeasts in 10,000-liter stainless steel tanks and matured for six to eight months in used barriques and larger oak vats. The nose is clean and textbook Mediterranean with aromas of esparto grass, tree bark, blackberries and thyme, with perfectly integrated oak. The palate feels compact and balanced, with fine tannins and good acidity."

"Brilliant violet color. Intensely perfumed dark berry and floral pastille scents, along with suggestions of anise, violet and pipe tobacco. Sweet and expansive on the palate, offering sappy black and blue fruit flavors that put on weight with air. Shows very good energy and power on the long, gently tannic finish, leaving behind notes of blueberry and peppery spices."

"(fermented in stainless steel tanks, followed by a year of aging in new French and American oak barrels) Inky ruby. Dark berries, incense, vanilla and sexy oak spices on the pungent, expansive nose. Smooth and open-knit, offering intense blackberry, cherry and mocha flavors sharpened by a jolt of juicy acidity. Finishes on an appealingly sweet note, with strong persistence and a delicate dusting of tannins adding shape and gentle grip."

Hazana Vinas Viejas 2014

92 Points

Robert M. Parker, Jr., eRobertParker.com #Interim, July 2015

"The 2014 Hazana Vinas Viejas is simply one of the greatest values in Rioja that money can buy. A blend of 85% Tempranillo and 15% Graciano, this collaboration between importer Eric Solomon and the owner and winemaker has produced an absolutely amazing Rioja from 45- to 70-year-old unirrigated, head-pruned vines. Loads of lead pencil shavings, black and red currants, licorice and tobacco leaf all jump from the glass of this dense, ruby/purple wine. Soft tannins, medium to full body and fabulous intensity, make for a sensational Rioja to drink over the next 5-7 years."

Bodegas Volver / Fine Estates from Spain Volver (Single Vineyard) 2014

The Reviews

92 Points

Wine Advocate - Robert M. Parker, Jr.

Issue Date: 30th Aug 2016

"The 2014 Volver Single Vineyard comes from a parcel of vines planted in 1957 called Finca Los Juncas. It is 100% Tempranillo aged 15 months in French oak and bottled unfiltered. It is a relatively small cuvée of 3,000 cases, but it's a stunning wine, with notes of unsmoked cigar tobacco, licorice and blackcurrants. This opaque purple-colored wine has a full-body, showing toasty notes intermixed with blackberry and cassis. It's a beauty – an internationally styled, modern version of Tempranillo to drink over the next 5-6 years."

Bodegas Volver / Fine Estates from Spain Tarima 2015

The Reviews

91 Points

Robert M. Parker, Jr., eRobertParker.com #226,
Aug 2016

"Another terrific value is the 2015 Tarima (Nonorganic) from Alicante and another 100% Mourvèdre cuvée, aged six months in French oak. This wine has terrific aromatics, broad, expansive flavors, about 15% natural alcohol and an expansive, heady mouthfeel. This is rich, dense and Provençal in its flavor components. Totally aged in used oak and stainless steel, the wine is a real sleeper and big-time winner in the values sweepstakes. Drink it over the next several years.

This is one of the top value wineries in all of Spain, working from generic appellations such as La Mancha to Jumilla and Alicante. They produce an amazing amount of inexpensive, high-quality wine that sells for a song."

Spring Mountain Cabernet Sauvignon 2010

94 Points

Robert M. Parker, Jr.

Wine Advocate #209, Oct. 2013

"The 2010 Cabernet Sauvignon Estate (75% Cabernet Sauvignon, 15% Merlot, 9% Cabernet Franc and a dollop of Petit Verdot) reveals great fruit, but it is more structured, tannic and reserved than the 2009, no doubt because it is a year younger. It reveals lots of graphite, forest floor, black currants, blueberries and the tell-tale smell of violets that comes from the Spring Mountain AVA. Give it 4-5 years of cellaring and drink it over the following 20+ years."

Killepitsch Premium Herbal Liqueur

95 Points

By Wine Enthusiast

"...the recipe for this traditional herbal liqueur dates back to the mid 1800s—"a taste of old Dusseldorf." Old or new, it's complex and delicious, with a Cognac-like dried-fruit and spice base—raisins, dates, cherries, figs, cinnamon, sarsaparilla and black pepper all can be detected. Would make a dynamite digestif, especially paired with a fruity dessert."

Le Verre de Vin

Tower | Portable Tower | Compact | Pod Bar

The #1 Selling Commercial Preservation System in the World

Wine begins to oxidise as soon as the cork is removed.

By removing the oxygen to a precisely controlled level Le Verre de Vin technology effectively preserves wine without any risk to it's subtle structure.

Still wines preservation takes just 2 to 5 seconds (depending upon the amount of wine remaining) during which time a precisely controlled vacuum is created within the bottle. Precise control of the vacuum level is essential to ensure that the maximum period of preservation is achieved without any damage to the subtle structure of the wine. If insufficient air is removed from the bottle the wine will continue to oxidise, by removing just too much air the negative pressure will draw the delicate esters and phenols from the wine, detrimentally affecting the bouquet and 'deadening' the taste.
