100% ORGANIC

Peter Mertes

Landlust Organic Riesling 2016

The Landlust Organic Riesling was born in the warm slate-covered hillside vineyards in the world famous Mosel River valley. Ideal growing conditions and precise winemaking entice notes of honeysuckle, blossom, citrus and white peach on the nose. On the palate, lively notes of Asian pear, red apple and peach are balanced with lemon and lime notes and are framed by an intense & refreshing minerality leading to a long, harmonious finish. Landlust is an enchanting wine to be enjoyed on its own, or with family and friends.

Jorge Ordóñez
Tarima 2015

The Reviews

91 Points

Robert M. Parker, Jr., eRobertParker.com #226,
Aug 2016

"Another terrific value is the 2015 Tarima (Nonorganic) from Alicante and another 100% Mourvèdre cuvée, aged six months in French oak. This wine has terrific aromatics, broad, expansive flavors, about 15% natural alcohol and an expansive, heady mouthfeel. This is rich, dense and Provençal in its flavor components. Totally aged in used oak and stainless steel, the wine is a real sleeper and big-time winner in the values sweepstakes. Drink it over the next several years.

This is one of the top value wineries in all of Spain, working from generic appellations such as La Mancha to Jumilla and Alicante. They produce an amazing amount of inexpensive, high-quality wine that sells for a song."

Garcia Carrion Pata Negra Organic Cava

Aged in the winery's cellar in total darkness and silence for a minimum of 12 months. The vineyards are located on top of a hill that slopes gently toward the Mediterranean Sea in Vilanova i La Geltrú (Barcelona). Its origins date back to 1647, with a walled estate from the seventeenth century that served to protect an old fort that, legend has it, contained a passage that connected it to the town.

Golden straw yellow in color, with intense small bubbles, vertical and regular-releasing forming a crown. Good aromatic intensity that is fresh, retaining fruity characteristic of the varieties. Good structure on the palate, full bodied, broad, lively and silky. This is one delicious Organic Cava!

The Original Icelandic Spirit

Olgerdin Egill Skallagrimsson Brennivin Aquavit

Brennivin is a caraway flavoured aquavit (un-sweetened schnapps) and is the country's signature spirit. Introduced in 1935, Brennivin is made from the extraordinarily pure Icelandic water imparting it with a deliciously sweet taste and a soft finish. Have no doubts however this is an aquavit, and Brennivin has the right level of intensity with notes of caraway seeds. Best enjoyed on its own ice cold or use its unique taste to experiment in cocktails.

Vital Statistics

Region:	Borgarnes, Iceland

Bumbu Rum Co.

Bumbu

Bumbu is made at a historic Barbadian distillery founded in 1893 and has continuously operated for more than 120 years. The rum is distilled using two continuous stills and aged up to 15 years in grade-A, once-used Kentucky bourbon barrels. The yeast used during fermentation is a distillery secret that dates back as far as 1840, when some of our original iron pot stills were cast. At Bumbu Rum Company, we handcraft our rums from a blend of sugarcane selected from eight countries throughout the West Indies and South America to bring exceptional balance and smoothness, without sacrificing richness and complexity that makes our Barbados distillery's rum the world's best – although we're a little biased!

Vital Statistics

Le Verre de Vin

Tower | Portable Tower | Compact | Pod Bar

The #1 Selling Commercial Preservation System in the World

Wine begins to oxidise as soon as the cork is removed.

By removing the oxygen to a precisely controlled level Le Verre de Vin technology effectively preserves wine without any risk to it's subtle structure.

Still wines preservation takes just 2 to 5 seconds (depending upon the amount of wine remaining) during which time a precisely controlled vacuum is created within the bottle. Precise control of the vacuum level is essential to ensure that the maximum period of preservation is achieved without any damage to the subtle structure of the wine. If insufficient air is removed from the bottle the wine will continue to oxidise, by removing just too much air the negative pressure will draw the delicate esters and phenols from the wine, detrimentally affecting the bouquet and 'deadening' the taste.
