## Henry's Drive Morse Code Shiraz 2015

The wine is a fruit driven and made with minimal oak contact to allow the fruit flavors and regional characters to be at the forefront. With lifted floral lavender, spearmint, plum and cherry fruit and hints of spice and licorice this is a very aromatic wine. The palate is medium bodied and elegant, with fleshy plum fruit and cool-climate rose and lavender characters as well as hints of spearmint; finishing with a soft and smooth tannin structure.

## Domaine Lafage Cuvee Centenaire 2015

### 92-93 Points — Wine Advocate, April 2016

The 2015 Cotes du Roussillon Centenaire is a racy, medium-bodied blend of mostly Grenache Blanc (and Gris), with 20% Roussanne. Crushed rocks, mint, lime and citrus blossom are some of the nuances here, and it hits the palate with medium-bodied richness, beautiful purity of fruit and a clean, dry finish. It's certainly an outstanding white to enjoy over the coming 2-3 years.

I've raved time and time again about the quality - and value - coming from Domaine Lafage's Jean-Marc Lafage. A large estate that pulls from vines in the Agly Valley, the Aspres region, and vines around the estate and close the Mediterranean Sea, they've just completed work on a new, state of the art winery and cellar. I can only imagine the quality will continue to soar at this estate.

The 2014 Côtes du Roussillon Villages Chimeres is mostly Grenache, yet includes 30% Syrah and 10% Mourvèdre. Cuvee Nicolas 2015**

**92 Points** — Wine Advocate April 2017

Made from 100% Grenache, the 2015 Cotes Catalanes Nicolas comes from granite and schist soils in the Roussillon and is brought up in demi-muids and barrels. This sensational wine is unquestionably one of the best values I've tasted in a long, long time. Blueberries, kirsch, chocolate and garrigue all emerge from this full-bodied, sexy, polished beauty that offers tons of fruit and texture while never seeming over the top or cumbersome. **Domaine Lafage  
Bastide Miraflores 2014**

**92 Points** — Wine Advocate July 2015

A steal from Lafage is the 2014 Bastide Miraflores, which is a Cotes du Roussillon, and a blend of 70% Syrah and 30% Grenache, with the Grenache aged in concrete tanks and the Syrah in 500-liter demi-muids. Lafage makes more expensive wines than this, but certainly excels with his value lineup. He has really hit a home run with this 10,000-case cuvée. It is deep, ruby/plum/purple, with fresh notes of blackcurrants, plums, Provençal herbs as well as licorice. Deep, medium to full-bodied, with amazing fruit, the purity, authenticity and Mediterranean upbringing of this wine are obvious. Quite deep, round and succulent, this wine should drink well for another several years. This is one to buy by the case.

**Tessellae Old Vine 2014**

**90 Points** — Wine Advocate July 2015

A stunning bargain from Lafage is the 2014 Tessellae Old Vines, a blend of 50% Grenache, 40% Syrah and 10% Mourvedre, all aged in concrete. Much of it comes from 70-year-old vines planted in limestone and clay soils. A delicious, dense ruby wine with notes of red and black cherries, earth, spice, pepper and a touch of Provençal garrigue. Fresh vibrant acidity is also present, and the wine is uncomplicated, but rich, fleshy and very well balanced. Drink it over the next 2-3 years.

Castelforte  
Amarone della Valpolicella D.O.C.G. 2013

Previous Vintage

**Gold Medal** — Mundus Vini 2015

Castelforte Amarone is made from dried Corvina and Rondinella grapes. A long, slow fermentation and minimum 18 month aging in large oak give this dry, full-bodied red wine a deep garnet red color, a complex bouquet of cinnamon, cherry jam and walnut and a palate of ripe black cherry fruit with notes of vanilla and coffee on the finish. It pairs perfectly with rich pasta dishes, game and grilled or stewed red meats as well as mature cheeses.

The 2013 Langhe Nebbiolo is a pretty, open-knit wine with plenty of near-term appeal. The style is round, succulent and generous, with considerable body for a wine of this vintage. Crushed flowers, sweet tobacco, berries and mint add the closing shades of nuance.

**La Mozza  
Aragone 2010**

**92+ Points** — Vinous October 2015

A huge, powerful wine, the 2010 Aragone hits the palate with serious intensity. The flavors are dark, bold and intense, with important contributions from Alicante, Syrah and Carignan that add complexity to the Sangiovese. The 2010 could use another year or two to come together more fully, but I imagine it will always remain a bit burly. Hints of smoke, game, iron, incense and tobacco add layers of nuance to a decidedly virile, imposing Maremma red that begs to be served at the dinner table.

Campo al Mare Bolgheri D.O.C 2013**

**89 Points** — Wine Advocate October 2015

Campo al Mare's 2013 Bolgheri Rosso opens to spicy notes that are intense and exotic in personality. The quality of fruit is thick and ripe with dark tones of blackberry and dried cherry. This blend of Merlot, Cabernet Sauvignon, Cabernet Franc and Petit Verdot has a sweet and soft spot in the mouth but it also offers bright intensity, lushness and pulpy fruit. The wine is delicious to drink but that fullness of fruit gives it a one-dimensional approach.

Tenuta Santa Maria alla Pieve  
Amarone Classico 2010

The amarone is obtained using the traditional appassimento method, a natural drying process of Corvina, Rondinella and Corvinone grapes, and long barrel aging, giving it a unique and immediately recognizable taste. It represents the full expression of the Veronese tradition and the more than century-old family heritage. The wine has a ruby red color with garnet reflections. The impact of preserved cherry, spices, and dried rose petal lend complexity and elegance to the nose. To the palate, it has warmth and subtlety, well-structured and with a high alcohol content, balanced by velvety tannins and an elegant acidity and freshness.

Calcarole Amarone 2009

**"Red Wine of the Year"**

**Tre Bicchieri** — Vini d'Italia, Gambero Rosso 2014

The grapes are selected from the vines of the rocky and stony hill of Calcarole, which rises above the Villa di Rovereti in Negrar. The Amarone Calcarole draws its vigour and structure from the particular terroir; poor and stony and with perfect sun exposure of the terraces where the vines grow. The wine has an intense and balanced bouquet with rich, concentrated palate and a high degree of elegance. The wine is aged for at least 3 years in oak barrels and stored for 6 to 12 months in the bottle. Calcarole is a blend of Corvina 60%, Corvinone 17% Rondinella 3%, Barbera 10%, Sangiovese 10%.

## SPAIN'S #1 SELLING CAVA

"Cristalino is always a solid go-to Cava. This brut is round, slightly yeasty and shows citrus aromas that veer toward lemon-lime. The palate is healthy and clean, with a narrow set of citrus and apple flavors. Fairly full and long on the finish, which makes the whole package more than worthwhile give the cost."

**Rosado 2016**

The Rose shows a very light, bright colour – mainly pale orange-tinged salmon pink. In this harvest very fresh, tart fruit aromas return, dominating the whole sensorial profile of the wine. On the nose you mainly find the citrus and green apple aromas which are present throughout the wine's passage through the mouth; in the aftertaste, the olfactory nuances are transformed into something finer and more complex, where you can discover, along with those noted previously, hints of apricot and faint reminders of pastries. On the palate it is really attractive since, although the sharp fruit still dominates, the overall taste is sweetened by elegant, well-integrated fine lees. This is a wine with a long finish, combining sweetness, freshness and acidity.

Triton Toro 2012

**90 Points** — eRobertParker.com #Special Interim Issue Report, Nov 2014

"From Spain's most historic region for Tempranillo, having been first planted in the 14th century, the 2012 Triton Tinta de Toro is 100% Tinta de Toro (the local name for Tempranillo) planted at a 2,400 foot elevation. These moderately old parcels, planted in 1956 and 1963, have yielded .81 tons of fruit per acre, which is virtually nothing. Aged 18 months in 1- to 3-year-old Burgundy and Bordeaux barrels, this outstanding 2012 boasts a deep purple color along with notes of charcoal, graphite, blueberries and blackberries, a medium to full-bodied mouthfeel, a voluptuous texture, and a seductive style. Bodegas Muga  
Barrel Fermented Blanco 2015

**90 Points** — Wine Advocate Aug 2016

The white 2015 Muga Blanco Fermentado en Barrica mixes the classic white Rioja grapes, mostly Viura with some Malvasía Riojana and small percentages of diverse varieties, including the newer Tempranillo Blanco, Garnacha Blanca, Maturana Blanca, Turruntés... It fermented in new 225-liter oak barrels where it was kept in contact with the fine lees from October to February. It has a ripe nose of yellow fruit, sourced from a healthy vintage that produced powerful wines. This wine relies on malic acid to provide freshness and it's a little lower in this year; however, it feels quite lively and does not feel warm at all. In the future, Garnacha Blanca is going to play more of an important role in this blend. Very drinkable and pleasant. 140,000 bottles produced.

Tarima Hill Monastrell 2014

**92 Points** — Wine Advocate Aug 2016

Lastly, the 2014 Tarima Hill, from Alicante, is also 100% Mourvèdre aged 20 months in French oak and from the oldest vines of the estate, planted 1935-1975. They are also relatively high elevation, at 2,000 to 2,400 feet above sea level. This wine shows wonderful, pure aromatics of blueberry, black raspberries, chalk and spring flowers. The wine has beautiful, full-bodied texture, impressive ripeness and purity and length. The minerality is present, and the wine a heck of a value. Drink over the next 4-5 years.

Botani 2015

**91 Points** — Wine Advocate Aug 2016

A steal that I've been recommending for a number of years is the 2015 Botani Moscatel Old Vines. Totally dry and made from vines planted in 1946, 1968 and 1975, from the incredibly steep slate and quartz hillsides of Malaga, this is fermented with wild yeasts in stainless steel, where it's aged and bottled after eight months sur lie. An incredibly gorgeous flowery bouquet alone would be reason to spend the \$18.00 for this medium-bodied, super-fragrant and seductive, crisp, elegant wine. The old vines, the beautiful floral notes and stunning, delicate tropical fruits that the Muscat of Alexandria varietal (the oldest clone in the Muscat family) produces, are just something to behold. Not meant for aging, but for drinking in its first year of life, so take advantage of it. For those interested: this is fermented in total stainless steel with indigenous yeasts and bottled early to preserve its incredible aromatics.

Single Vineyard Tempranillo 2014

**92 Points** — Wine Advocate Aug 2016

The 2014 Volver Single Vineyard comes from a parcel of vines planted in 1957 called Finca Los Juncas. It is 100% Tempranillo aged 15 months in French oak and bottled unfiltered. It is a relatively small cuvée of 3,000 cases, but it's a stunning wine, with notes of unsmoked cigar tobacco, licorice and blackcurrants. This opaque purple-colored wine has a full-body, showing toasty notes intermixed with blackberry and cassis. It's a beauty – an internationally styled, modern version of Tempranillo to drink over the next 5-6 years.

## Bodegas Ordonez Nisia Verdejo 2016

All of the vines used for Nisia are ungrafted and between 68-75 year old, as this part of D.O. Rueda is phylloxera resistant, due to the extremely sandy soils. Nisia is hand-harvested and 60% sees fermentation by indigenous yeast in French oak puncheons and demi-muids (500-600L barrels, respectively). And the remaining 40% sees fermentation in stainless steel tanks. Nisia shows a brilliant straw color, with a nose characterized by ripe fruit. Nisia delivers the maximum expression of the Verdejo variety.

**95 Points** — eRobertParker.com #226 August 2016

"The 2015 Victoria (#2), requires 5 kilos of Muscat de Alexandria for one 375ml bottle! The wine is a gorgeous, honeyed, exotic, moderately sweet wine with fabulous acidity and plenty of floral notes. The 2012 Almirez (a 1,000-case cuvée of 100% Tinta de Toro) was aged 14 months in French oak. This sensational wine comes from vines planted between 1949 and 1999. Yields were a conservative 1.8 tons of fruit per acre. An inky/purple color is followed by aromas of camphor, ground pepper, blackberries and cassis. This full-bodied, Northern Rhône Valley-like Spanish red exhibits meaty/lard notes, terrific density and purity, and a finish that lasts nearly 40 seconds. A young, sweet, single-vintage Pedro Ximénez, the 2012 Don PX, was aged in stainless steel vats for two years and was bottled with 450 grams of residual sugar and 17% alcohol. This is extremely dense and sweet, exuberant with aromas of sugar cane, dates and golden raisins and an extremely sweet, dense palate with flavors of raisins and lowish acidity. I prefer these young wines in their initial, more exuberant phase but once they lose their youthful character they will keep in bottle forever given the high alcohol and sugar.

**Prado Enea Gran Reserva 2009**

**96 Points** — Wine Advocate Aug 2016

The most classic cuvée was not produced in 2007 or 2008, so we jumped to the phenomenal 2009 Prado Enea. It was produced with grapes from cooler vineyards that enjoyed 20 extra days of slow ripening compared with warmer zones, which provided them with perfect ripeness and deep flavors. This blend of 70% Tempranillo, 20% Garnacha and the remaining 10% between Mazuelo and Graciano had an extended élevage, in this case no less than three years (alternating newer and older barrels). This is still a baby and I know Winemaker Jorge Muga would like to keep it in bottle for longer before selling it, but the commercial pressure is tremendous, as there has been no wine since 2006. The wine has 14.1% alcohol and a surprising 3.34 pH, especially considering 2009 was generally a warm and ripe year. But somehow this cuvée seems to work very well in ripe vintages. The wine feels even younger on the palate, and it still needs to develop some further complexity and the silky texture for which this wine is famous. There is good balance here and all the elements are in place for a nice development in bottle. In fact, it feels like one of the great recent vintages of Prado Enea. There will be no Prado Enea in 2012 and 2013 either, but it's produced in 2010, 2014 (small quantities) and 2015. At this quality level, the price seems like a real bargain.

Sierra Cantabria  
San Vicente 2012

**93 Points** — Vinous Nov 2015

Dark ruby. Deeply pitched, smoke-accented dark berry, floral pastille, cured meat and vanilla aromas are lifted by a spicy nuance. Sweet and expansive on the palate, offering intense blackberry and cherry compote flavors plus suggestions of cola and mocha. Dusty tannins build through a very long, spicy, lavender-tinged finish. Aged in all-new French and American oak.

Bodegas Toro Albalá  
Don Px Selección 1949

**97 Points** — Luis Gutiérrez, Wine Advocate #208, August 2013

"The 1949 Don PX Selección differs from the other old wines from the winery as it is less dark, it even has a (very dark) translucent tone compared with the others, maybe because it has 2% more alcohol. It feels incredibly elegant and balanced, fresher in comparison than the beasts from 1962 and 1946, medicinal, full of spicy notes of cinnamon, cloves, a touch of ash, and the smell of an antique shop. The palate is fluid, sweet and fresh. Putting a drinking window to these wines feels a bit silly. You should drink it whenever you have the occasion."

Bodegas Toro Albalá  
Don Px Selección 1962

**95 Points** — Luis Gutiérrez, Wine Advocate #208, August 2013

"The 1962 Don PX Reserva Especial is pitch black, dense as (used) motor oil, medicinal and balsamic, with a grassy nose of licorice, black olives, roasted coffee, smoke and ash, very intense and expressive in the palate, spicy (nutmeg) with incredible length, perhaps not as integrated as the 49 and 46. These wines have to be tasted to be believed. It was bottled after 49 years aging in bota."

**Don Px Convento Selección 1946**

**100 Points** — Luis Gutiérrez, Wine Advocate #208, August 2013

"An extreme wine, my first descriptor was ultra-mega-super concentrated. It is unbelievably powerful, both in the nose and the palate, full of umami, with sweet cinnamon, Christmas cake, camphor, petrol, lemongrass, Belgian chocolate and butter. Incredibly complex and rich, sweet, balanced and smooth in the palate, it is both very sweet and somehow salty, and with time it develops a black olive note. It combines the texture of the 1962 and the elegance of the 1949. It is as decadent as it gets. A real tour de force sweet wine."

**Ginés Liébana Pedro Ximénez 1910**

After 96 years in cask, this Pedro Ximénez is one of the most unique and complex wines you will ever get to taste. Not nearly as sweet as expected, but with an astounding array of flavours including dates, figs, black truffle, Asian spices, vanilla, iodine, black liquorice and dark chocolate, with a slightly smoky finish. Extremely rich and dense on the palate, but very fresh and without ever appearing cloying. The finish just goes on, and on, and on. A legend! Every bottle is decorated with a piece of wood from the barrel that contained the wine for almost a century.

## Master's Gin

The high quality of this triple distilled gin is attributed to a delicate production process following the 'London Dry Gin' method. Distilling with refined cereal alcohol and a careful selection of aromatic plants and citrus fruits provides a delicate and exclusive experience for those who like to enjoy it mixed or on its own, but never hurried. The Master's citrus note is achieved by macerating lemon, sweet orange and bitter orange rind, pre-selected and cut by hand in their distillery, in grain alcohol for 12 months.

Bumbu Rum Co.

## Bumbu Rum

Bumbu is made at a historic Barbadian distillery founded in 1893 and has continuously operated for more than 120 years. The rum is distilled using two continuous stills and aged up to 15 years in grade-A, once-used Kentucky bourbon barrels. The yeast used during fermentation is a distillery secret that dates back as far as 1840, when some of our original iron pot stills were cast. At Bumbu Rum Company, we handcraft our rums from a blend of sugarcane selected from eight countries throughout the West Indies and South America to bring exceptional balance and smoothness, without sacrificing richness and complexity that makes our Barbados distillery's rum the world's best – although we're a little biased!

## Manotsuru“Bulzai” Ginjo

### The Reviews

**92 Points**

Wilfred Wong Bevmol

**Best Buy**

Beverage Testing Institute, June 14, 2013

Bulzai is a Nama-chozo sake, which means it is left un-pasteurized until the bottling stage; this adds zestiness to the mouthfeel and preserves of the flavours normally lost to the full pasteurization process. Refreshing aromas of bananas and tropical fruit. The finish offers hints of licorice and white pepper over stonedriven mineral notes. Best served chilled. Bulzai “hits the mark” with a wide range of appetizers and fish dishes.

## Garun Icelandic Stout

### The Reviews

Beer Advocate

"Garún is named for the strong and brave heroine of one of Iceland's most popular folktales "The deacon of Dark River (Myrká)." A tale of ghosts, undying love, and life triumphing over death told against the backdrop of elements essential to Iceland's character: ice, snow, and flooding waters whirling dark and mysterious. The same elements that inspire this rich, intense, bold and swirlingly varied Icelandic stout. Garún is a dark aura of intense richness and haunting aroma with notes of chocolate, licorice and coffee. Skál!"

## Borg Brugghús Leifur Nordic Saison

Leifur is named after the Icelandic explorer Leifur (the Lucky) Eiríksson, the first European to discover North America – almost 500 years before Christopher Columbus. Leifur landed in a luscious place with plentiful stores of salmon, vines and grapes, and so named the land Vinland (Wineland). Leifur is brewed with organic arctic thyme and heather which, together with the Belgium yeast, gives the beer a dry, grassy taste and a delicately balanced aroma of citrus and pepper.

Surtur is a full bodied, intense and intriguing. Under the tanned creamy head, dark notes of leather, coffee and dark chocolate blend perfectly with the sheep dung smoked malts, making it a truly extraordinary Imperial Stout. Lilith

**91 Points** — Wine Enthusiast Magazine, March 2011

**SILVER MEDAL** — World Beer Championships Award

**86 Points** (Highly Recommended)

Amber beer inspired by English bitter, and a strong American "cascade" hop, Lilith is clear with dense, persistent light beige froth. The fresh fruity citrus scent gives it a taste of grapefruit and resin, balanced with appealing candied malts and a bitter finale to leave your mouth dry and clean, ready for further sips. An arrogant beer, but also delicate and refreshing.

The Dieci is a barley wine with intense and alcoholic taste, produced with no spices and with natural yeast to enhance its malted character and complexity resulting from a long boiling process in the cooking room.
